Pakistan Box Pack Service Medium and Large Boxes

Established in the United Kingdom since 1958 and since 1971 in Pakistan, OCS are known and trusted as a leading force in the business of moving packages worldwide for many global organizations and individuals on a door to door basis.

Our 'Box Pack' provides a low cost service which includes the supply of OCS boxes so that the cost of air shipping can be kept as competitive as possible. This service is available for items that would normally attract expensive airline excess baggage rates with the additional benefit of direct customs clearance and delivery at destination.

- These tariffs are valid for all Pakistan deliveries and includes collection from UK mainland addresses.
- Supply of OCS boxes.
- Collection and administration charge £15.00 plus VAT per shipment.
- Internet tracking and tracing from door to door in Pakistan.
- Customs documentation available from our website.
- All major credit cards accepted.
